In the event of an emergency situation where none of these Contractors' are able to respond, there is no objection to you using an outside contractor (e.g. Yellow Pages). The Association will repay you any costs incurred as soon as you provide us with the details

You may wish to consider having an alternative form of heating (possibly a fan heater or an oil filled radiator) in the event of heating repairs arising which can't be immediately resolved. Again, the Association will repay any cost for additional electricity used during this time.
