

My Home Group Minutes for the Meeting Held on Wednesday 08 March 2023 at The Square at 12 noon

In Attendance

7 Tenants in attendance

Staff – Alan Morris and Kirsty Sweenie

The group were welcomed to the meeting and each member was given a few minutes to discuss what is going on at home and in their life in general. A few issues within the group's homes were raised and passed on to the appropriate team.

It was during discussions that one of our members of MHG spoke about her work with Project Ability. We decided to look at Project Ability's website to see some of the needle work. Another MHG spoke about his house move which he was happy with and found the process to be hassle free.

Four MHG members all helped with interviewing candidates for recent housing posts, and all loved taking part. Their pictures were taken for the next edition of At Home tenant magazine.

The group then got down to business to discuss two publications, Condensation and Mould, and Adult Disability Payment. The condensation and mould factsheet was easy to understand and each member understood the importance of letting escape from their home. The Adult Disability Payment was a bit more complex as no member of the group had moved over yet. Nevertheless they discussed how easy the document was to read and had a look at the pictures that accompanied the text.

The meeting was wrapped up in plenty of time for the group to leave for 2pm.
